

PUBLIC LEDGER

SIXTH YEAR.

MAYSVILLE, KY., TUESDAY, JUNE 29, 1897.

ONE CENT.

Story
CIRCULATION
LARGEST IN THE CITY.

Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "notices" free any more than a merchant can give over his counter free gifts of dry goods or shoes. A newspaper is a legitimate business concern. Its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

The Continued Calls

Upon THE LEDGER for free notices have become so burdensome that we are forced to publish the following terms:

For Notices of Suppers,

excursions, fairs, or other public entertainments where a fee is charged, and for obituary notices, resolutions of respect, etc., THE LEDGER will charge FIVE CENTS A LINE, and hereafter this will be the unchangeable rule. This, however, is not.

Does Not Include

notices of Lodge meetings or Church services, which must not exceed ten lines.

Avoidance of Disputes.

Misunderstandings are unpleasant. The rate for Business Local in THE LEDGER is 10 cents a line for the first insertion and 5 cents a line for subsequent insertions. A customer orders a five-line local inserted in the paper. "I'll tell you when to take it out," he says to the bookkeeper. But he forgets all about it. The notice runs for two months—32 times;—the bill is \$16. When he finds it out there is a "kick" and a controversy, followed probably by an icy feeling. Now, to obviate this trouble, no "full forbid" notices will be accepted hereafter. Let's have a definite agreement at the outset and the termination will be pleasant all around.

All matter for publication must be handed in before 9 o'clock in the morning of each day.

If you have an item of news, please call up THE LEDGER, Telephone 33, and send it in.

A Satisfactory Shop to Deal In!

No garment leaves our house that is not satisfactory to us. This is the chief reason they are satisfactory to you. No matter what price suit you buy we do not permit you to take it away until we are perfectly satisfied that it is perfect in its entirety. That our efforts in that line are appreciated is fully evidenced by the hundreds who have visited our house in the past week.

Our Crash and Homespun Suits!

at \$3.90, \$5 and \$7! are great advertisers. They proved the hit of the season.

Our Line of Cheviot, Cassimere and Serge Suits

for Men, Boys and Children is yet quite large. No matter what you want we can please you. Considering the high quality, you will find Prices Very Reasonable.

BADLY BITTEN.

Thomas Plummer Bitten By a Mad Dog Near Ruggles Campground.

Wednesday last Thomas Plummer, a sixteen-year old son of Mr. Robert Plummer, was working in a field near the Ruggles Campground.

Without warning he was attacked by a rabid dog, and was badly bitten about the hands and arms.

In order to protect himself he held the animal for over an hour before assistance reached him and the dog was killed.

The beast had bitten a number of animals before it attacked the boy.

A "madstone" was applied—and a horsechestnut would have been just as efficacious.

The lad will be sent to Chicago for treatment as soon as possible.

The closing exercises of the Medical Department of the Central University of Kentucky will take place at Macauley's Theater, Louisville, Thursday evening, July 1st. Among the graduates will be Mr. Carl Lewis Wheeler, son of Mr. Charles Wheeler formerly of this city.

Robert Blue, one of our oldest colored citizens, died rather suddenly about 12 o'clock last night. He had been ailing for some time, but his condition was not thought to be serious. Deceased was an old soldier. His only surviving family consists of a stepdaughter.

There was a good audience at the opening of the Summer Theater in Electric Park last evening. The management did all in its power to give a satisfactory entertainment, but owing to circumstances beyond control the Phantoscope failed to work. We are assured it will be all right for this evening. The Arabs are wonderful as examples of physical strength. The charming Rumley sisters drew forth well-merited applause. Owing to the failure of the Phantoscope, Manager Fremont gave each one in attendance a ticket for tonight's performance, which was a generous act on his part. Go tonight and see everything in good shape.

ACCIDENTAL SHOOTING.

Officer James Molen Makes a Fortunate Escape Yesterday Afternoon.

About 1 o'clock last afternoon Officer James Molen had a close call.

He was handcuffing a prisoner named Brown at the Jail, preparatory to starting with him for the city rock quarry. While he was stooping over Molen's pistol dropped from its holster, fell on the stone floor and was discharged.

The ball, a .38 caliber Colt, entered the fleshy part of the right forearm, passing clean through and lodging in the ceiling.

It was a fortunate escape, for while the wound is painful it is not dangerous. Mr. Molen was at once taken to Dr. Reed's office where the wound was dressed.

TOMORROW EVENING.

Mr. John Schnelle Will Wed Miss Winnie Tarvin at Newport.

The marriage of Mr. John Schnelle and Miss Winnie Tarvin will take place tomorrow evening at 8 o'clock at the residence of Judge A. W. Tarvin at Newport.

Miss Tarvin resides at California, Ky., and is a very estimable young lady.

The groom is a son of Mr. and Mrs. Fred Schnelle of West Second street, and is at present C. and O. Agent at Mentor, and is one of Maysville's most respected young men.

After the ceremony Mr. and Mrs. Schnelle will leave for a ten days trip to Louisville and Nashville, and on their return take up their residence in California.

GIVEN NEW TRIAL.

Bob Taylor, Convicted By One Jury, May Be Freed By Another.

Last week Robert Taylor, colored, was tried by a jury in the Circuit Court, charged with detaining a woman against her will.

The jury fixed his punishment at two years in the Penitentiary.

Yesterday it developed that the prosecuting witness was a magnificent liar, and the Court ordered a new trial.

Judge Harbeson, whose idea of justice is backed up by a fund of the best of good sense, promptly directed the Clerk to take Taylor's own recognizance for his appearance at next term.

This is much better than keeping an innocent man in jail; and the pity is he has no recourse for the several months confinement he has already endured.

Eyesight

Is of such great value that one ought to take more than ordinary precautions to guard against every possible trouble.

If you have even a remote suspicion that there is any trouble with your eyes it will be for your own best interests to have your vision tested and trouble, if any, removed.

Very simple troubles may develop serious results if not properly treated.

Ordinary failing eyesight receives our most careful attention, both as to glasses and frames.

It's just as important to have the right frame as the right glass, and from our large stock we can give you the correct thing in either Gold, Silver or Steel.

We make no charge for examinations, and if yours is a case requiring the services of an oculist we will frankly tell you so.

It is said by a New York exchange that there is a girl there who kneads bread with her gloves on. We don't see anything so very remarkable about that. We need bread with our boots on; we need bread with all our clothes on; but if some subscribers who are away in arrears don't pay up soon, we will need bread without anything on.

The society young ladies of Lexington, wearing caps and badges, took charge of the electric cars in that city Friday evening at five o'clock, and collected all fares until 10:30. The money so collected was given to the Children's Home. The ladies only acted as conductors, the regular motormen holding the grip. A large amount of money was collected.
